

Let's  
stay in  
touch.

Toshiba's Global Services Portal is an easy-to-use online procurement and support site for your business. It enables you to access your account information 24 hours a day, seven days a week. The website is secure, convenient and easy to navigate, allowing you to streamline asset management, review usage, procure supplies and request services.

# Introducing an online procurement and support site that's easy to use and personalized to your business.
